

OPT*ins* is a simple three-step process which facilitates the electronic submission of premium taxes, surplus lines taxes, assessments and other state-specific filings. Fees are transmitted via ACH debit or ACH credit, to assure that your funds will be received by the state in a timely and secure manner. There is no special software to purchase or licensing fees - only a transaction fee of \$10.00 per filing.

Once your paperwork is submitted, the OPT*ins* team will send you the required information for an ACH credit penny test.

Once the penny test is a success, we will move onto the next step in the implementation process. If you have any questions, please contact the OPT*ins* marketing and implementation team at (816) 783-8787 or [optinsmktg@naic.org](mailto:optinsmktg@naic.org).
