

OPTins is a simple three-step process which facilitates the electronic submission of premium taxes, surplus lines taxes, assessments and other state-specific filings. Fees are transmitted via ACH debit or ACH credit, to assure that your funds will be received by the state in a timely and secure manner. There is no special software to purchase or licensing fees - only a transaction fee of \$10.00 per filing.

Once your paperwork is submitted, the OPTins team will schedule an ACH debit penny test. The penny test entails the debit of one penny. If your bank has added a debit block onto your bank account, you will need our account information to lift the debit block for NAIC transactions. Please contact the OPTins marketing and implementation team at (816) 783-8787 or optinsmktg@naic.org and we will provide the necessary information to lift the debit block.

Once the penny test is a success, we will move onto the next step in the implementation process. If you have any questions, please contact the OPTins marketing and implementation team at (816) 783-8787 or optinsmktg@naic.org.
