

OPTins is a simple three-step process, which facilitates the electronic submission of premium taxes, surplus lines taxes, assessments and other state-specific filings. Fees are transmitted via ACH debit or ACH credit, to assure that your funds will be received by the state in a timely and secure manner. Surplus Lines transaction fees are 5% of the total amount due to the state, not to exceed \$10.00. **If it is a zero filing, the fee to file the zero report in OPTins is \$1.00.**

Once your paperwork is submitted, the OPTins team will review your paperwork and begin your account setup. Please check with your bank and ensure there is not a debit block on your bank account and make sure your debit threshold is high enough if you plan to submit large payments. To remove a debit block, please provide your bank with this info:

Company ID (ACH Origination Number): 9870877295

Debiting Bank Account Name: NAIC

We will contact you with any questions and the next step in the implementation process. If you have any questions, please contact the OPTins marketing and implementation team at (816) 783-8787 or optinsmktg@naic.org.
